

Sanctions Compliance Statement

At SAMSUNG E&A, compliance forms the core value of our global business operations. We strive to conduct our business in full compliance with all applicable sanctions laws and regulations, including those administered by relevant national and international authorities.

SAMSUNG E&A maintains comprehensive measures, including its own sanctions compliance program, to ensure thorough compliance with sanctions-related obligations, implementing sophisticated screening procedures across all global operations. We require all executives, employees, and any person working with SAMSUNG E&A to maintain sanctions compliance.

Our senior management actively oversees and reviews our sanctions compliance program to ensure its consistent effectiveness. We invest significantly in maintaining compliance resources, including dedicated compliance personnel and use of screening services provided by top-tier risk intelligence resources.

Moreover, we implement a comprehensive system of internal controls and monitoring mechanisms to prevent and detect potential violations. We provide mandatory training programs designed to ensure all employees understand and effectively implement sanctions compliance requirements.

Through these measures, SAMSUNG E&A aims to maintain the highest standards of sanctions compliance in all aspects of our global operations.
